Dear Parent/Carer,

Following on from the Government and Public Health England announcement, The Link School will continue to follow the recommended guidelines regarding enforced school closures.

We hope that you and your family have all that you need to stay safe and well in the up and coming weeks. To continue to support our families, we will be providing supermarket vouchers on a regular basis to ensure that those children who are entitled to free school meals have access to a meal at lunch time. You should have received a £10 voucher last week that was dropped off with your child's work pack, this week we are including another £10 voucher which will cover next week.

Moving forward, after Easter we will endeavour to continue to support our families in these times of need.

As a school, we will continue to contact you on a daily basis to ensure that you have all that you need in these challenging times. I also encourage your children to make use of our mindfulness phone drop in sessions, as advertised below.

Please continue to stay safe and well.

Donna
