

January 2021

Each day - what I need to know and do

- Try to start each day with a bit of reading and practising your tables, Tables Rockstars would work well for this or Top Marks has some good games.
- You will follow our usual timetable with maths and English each morning and our usual lessons on an afternoon. Remember to take a break and to stop for lunch.
- Each morning you will have 2 Teams lessons with your teacher, we will look at Maths and English together and then you will be set tasks from your work books, these tasks need to be complete before your next lesson.
- Do not work in your CGP work books until you have spoken to your teacher. They will set work in these books each day. Don't do extra unless your teacher has asked you to.
- You can do other work tasks such as Century learning, Top marks, tables Rockstars during the day if you finish quickly.
- On a Wednesday afternoon you would usually have PE, so do something active, this might be a Jump Start Johnny or other YouTube workout, or you might play in the garden, as long as you are moving and being active it is your choice what you do.
- Tuesday afternoon can be your cookery afternoon, feel free to cook anything you like, take photos and email them to your teacher.
- Thursday will be your ICT afternoon, you might create a powepoint or something else of your choice using your ICT skills.
- Friday morning is usually your mindfulness morning, find a guided meditation on our school website or on youtube, have a relaxing hour doing something that you enjoy.
- Friday afternoon you can still have choice time, reward yourself with an activity of your choice, take some photos of yourself doing choice time and any other tasks, send them to your teacher, we will create a 'Home Learning' display in school to share everything you have achieved.
- Class 4 children, you have your Century learning logins, I will expect you to log in and complete some tasks of your choice, over the virtual learning period I will expect you to complete some maths, some English and some science, remember I can see what you have (and haven't!) done from my account. We will discuss this in a Teams lesson.

Keep checking your email address, you can email your teacher at any time to ask questions, a link will be sent for our daily lessons, you will just need to click this to join the class.

KS2 Home Learning Timetable

Day	9:30-10	10-11	11-11:20	11:20-12:20	1:20-3
Monday	Tables, reading, spellings	English	Break	Maths	Science
Tuesday	Tables, reading, spellings	English	Break	Maths	Cookery
Wednesday	Tables, reading, , spellings	English	Break	Maths	PE
Thursday	Tables, reading, , spellings	English	Break	Maths	ICT

Where can you get more information?

The Link School Webpage - <https://www.linkschool.org.uk/> - We would encourage you to access The Link School webpage. We have an Online Learning tab on the main page which you can navigate around to view the online learning platforms and more information on these. Here you can also view the schools online learning policy.

Any updates to the school will be found in the News & Events tab – <https://www.linkschool.org.uk/news-events/>

How can I speak to my teacher?

There will be 2 lessons each day on Team, you need to turn up to these lessons to find out what you are doing each day, you can ask any questions during this time.

You can email your teacher at any time and they will email you back or give you a ring.

Miss Davison- Sarah.davison@schools.sunderland.gov.uk

Mrs Proctor- Gaynor.proctor@schools.sunderland.gov.uk

Miss Clark- Leanne.clark@schools.sunderland.gov.uk

The office will also be open every day so you or a parent can also ring school if needed.
